

The Chronological STUDY BIBLE

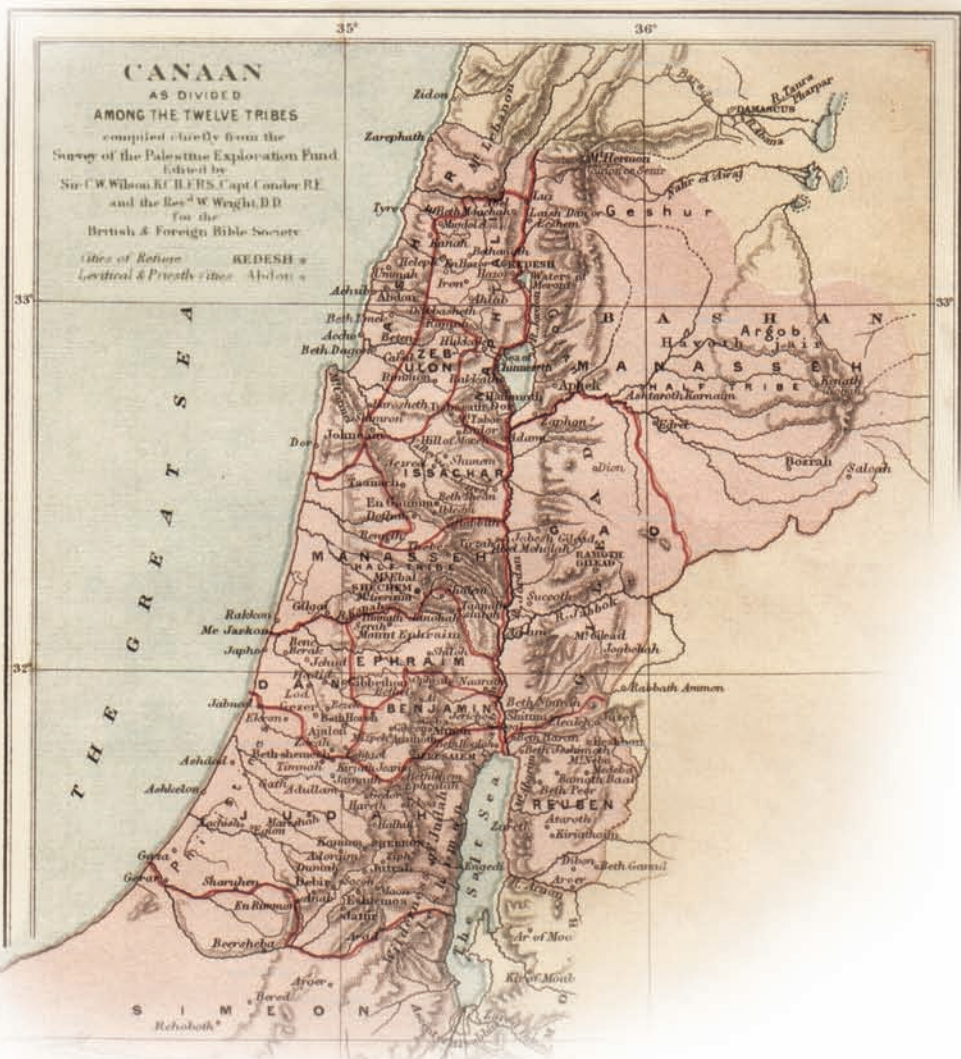

DAILY READING PLANS

The following plans give you a system for reading daily through *The Chronological Study Bible* in one year or two years. The two-year plan is the same as the one-year plan, except that you have an additional day to complete each reading portion. Some portions are somewhat longer than others because of the structure of *The Chronological Study Bible*. In certain cases a longer Transition is spread over more than one assignment, as indicated. In some cases two or three short Transitions are grouped into one assignment. When starting each Transition, be sure to read the Transition note at the beginning. The page number indicates the location of the Transition note.
